**One Chain Logistics**

*We Lift  
your burdens*

**One Chain Logistics** is a leading provider for logistics operation. We combine warehousing, distribution, advanced systems, technology, and freight forwarding; to customize your supply chain and meet your precise goals and requirements. We believe in adding value to our partners by acting as extension of their organization. We are space utilization experts, and we use our expertise to manage our warehouses in the most efficient way that best serves our partners.

## Warehousing, Distribution & Freight Forwarding

As the heart and driving force of our successful supply chain solutions, OCL Distribution Center offers warehousing and distribution capabilities that include full-service management for your products.

Through an array of technological and innovative solutions, our team at OCL gives you the true chance to "Do what you do best, and outsource the rest" in the supply chain field. Our product range stretches from storing your goods to offering tailor-made solutions to fit your individual storing, distribution, and freight forwarding needs.
